Good beginnings...

What an amazing community St Joey’s is! Against the potential for chaos that no car parks and pouring rain offered yesterday, the start to the school year could not have been smoother. I congratulate and sincerely thank you for the obvious way you and your family prepared for ‘Day One’! So many of you commented on how “surprisingly smooth” it all went. While there was a degree of preparation we could do at school, it really is due to you! Thank you. Our challenge is to keep it up for the coming weeks, even when the rain stops…..and it will stop!

Welcome everyone to the 2012 school year! I cannot remember a time that I have been so excited about starting what promises to be a most exciting year! Welcome especially to our 45 new families and new staff: Meg Reminis who is teaching 6S, Kym Gill and Patrece Rogers, school officers in Years 4 & 6! Welcome to our St Joey’s community!

Enrolment: we are close to being at capacity with an enrolment of 457 students in 16 class groupings. We continue to have a waiting list in three Year levels.

Thanks goes to Ross Gilby, Leonie Leck and our cleaners, Ray and Kath who worked so hard to get our school 'spick 'n span' for all of us! Perhaps we will see it when the rain stops! Thank you, team! And to our teaching and support staff who have been at school for a week or more now, preparing to teach your children….thank you!

Building update: as everyone was on holidays during the sunshine and this rain has now set in, we are a little behind where we wanted to be at this point in time! As soon as the rain stops, work will commence on redeveloping the two Reilly Rd car parks into one which will have a one way entrance and exit with a drop off/pick up zone for efficient traffic flow. It is still our hope that the Years 4 & 5 will be in their new classrooms by Term Two! Won't it be a relief when it is done! As I wrote to you last week, 'short term pain for long term gain' so let’s keep encouraging each other as we all practise patience, resiliency and patience some more!

Reilly Rd bottom car park: we are most grateful to have the use of this car park during this week but please be warned - it will close for work to commence! Don’t be surprised if you arrive there one morning/afternoon and access is gone. Again I emphasise, have a family discussion and plan your transport (Please reread our Traffic Management Strategy emailed & posted to you last week).

So we are underway. There is a lot of information in this week’s Newsletter so please, take some time to peruse it!

God’s blessings on you and yours!

APRE NEWS
Welcome back to the new school year!!
I hope everyone had a restful and joyful break over the Christmas holidays. A special welcome to all of our new students, and new staff members, who join our St. Joseph’s family for 2012.

We are beginning a new school year. Now to build a good year, we need to continue to build a good school. Just like building a house, what we put into our school is very important. All of us, students, teachers, school officers, parents and members of the community, are builders of this school. If we all do our very best, this will continue to grow and stay the great school that it is. Jesus walks with us as we embark on this journey. He wants us to be aware of the new opportunities of the new school year. God gives us the understanding, knowledge and wisdom to play an important part in making our school a happy and successful place.

It was wonderful to see so many smiling faces yesterday morning as students, and parents, returned to school to start a new year.

Wishing everyone a wonderful year in 2012!!

Did you know............
At the annual Queensland Association of School Tuckshops (QAST) Award night held on Friday, 2 December, (the last day of our school year). St Joseph’s came away winners!

Congratulations to Lee Etheridge who was named Queensland’s 2011 Tuckshop Convenor of the Year (Primary)! St Joseph’s was also awarded Queensland’s 2011 Healthiest Primary School Menu!

And Lee’s team of volunteers were also acknowledged for their contribution to making our tuckshop such a success!!

Prayer for the New Year!
Give us the kindness to hear with compassion, to offer support, loving comfort, and care.

Give us the courage to do what is needed, the wisdom to choose what is right and fair.

Give us the vision to see what is possible.

Give us the faith that will help pave the way for a present that is hopeful, a future that is peaceful.

Give us a heart to bring joy to each day.

SCHOOL NEWSLETTER
Our weekly Newsletter remains the major source of communication between school and home. So as to support responsible stewardship of the environment, it is our preference to email it to families. Because of this, only families who do not have internet access will receive a hard copy in 2012.

SCHOOL UNIFORM
It is an expectation that our school uniform is worn, without variation, at all times. In the exceptional case that this is not possible, you are asked to write your child’s teacher a note of explanation.

SCHOOL UNIFORM SHOP
This is open each Tuesday and Thursday morning from 8.00 to 9.00am. Our thanks go to Glenys Appleby who does such a wonderful job coordinating this service for our community.

STUDENT PROTECTION PROCESSES
A hard copy of this document is available for your reference at the school office or can be accessed on the school’s website.

SIGN IN / SIGN OUT
It is imperative that you go to the office to ‘sign out’ your child if s/he needs to leave the school during school hours. If late to school, the same applies.

P. & F. MEETINGS
All parents are encouraged to attend the monthly meeting of our P&F. The AGM is on Monday, 20 February at 7.30pm in the staffroom.

SCHOOL BOARD MEETINGS
These meetings also occur monthly on the second Tuesday of each month. Parent reps are elected to the Board for a 2-3 year term. Stay tuned for more information.
STUDENT SAFETY ISSUES
INTERIUM SUPERVISION OF STUDENTS
BEFORE SCHOOL
Morning supervision of students commences at 8.00am when a teacher goes on duty. If children arrive at school prior to 8.00am, they are required to go straight to the veranda outside the office with their bags.

At 8.00am, two teachers go on duty, one to William St/’2nd’ playground and the other to the Piazza/Prep playground. Prep and Year 1 children may use the Prep playground (only) or play in the Piazza. Years 4 to 7 go to the ‘2nd’ playground. Year 2 & 3 may choose to play either on the ‘2nd’ or in the Piazza.

Classrooms open at 8.20am (except for Mondays when staff are at Staff Prayer, or if the teacher is on Before School duty).

For the first two weeks of this term, we have suggested a staggered start to assist with traffic congestion, with Years 4 to 7 commencing school at 8.30am while Prep to Year 3 must be in class to commence lessons at 9.00am. Monday of Week 3 will see school commencing at 8.30am for everyone so plan ahead and get into good routines.

END OF DAY
A bell goes at 2.40pm as a signal to pack up, ready for the end-of-school bell at 2.45pm. The only children leaving the classroom at 2.40pm are the ‘handful’ who catch the early bus to St John’s.

Surnames commencing A-L are asked to use the William St gates for pick up.
Surnames commencing M-Z are asked to use the Sydney St gates for pick up.
Supervision occurs at both points.

The parish car park is for the use of families needing to use strollers only. It is not supervised.

ATTENDANCE AT SCHOOL
If your child is unwell and is going to be away from school, you are asked to contact the school on the Absentee line 5441 5900
Or email: pnambour@bne.catholic.edu.au
All unexplained absences result in you receiving a phone call (so as to ensure the safety of your child).

PLANNED ABSENCE
If you know your child is going to be absent from school for three or more days, it is a requirement that you complete a ‘Notification of a Planned Student Absence’ form available from the office and on the website at least one week prior to the absence.

MEDICATION
If your child requires medication during the school day, whether this be short or long term, you are required to complete a ‘Student Medication Authority’ form available from the school office. The medication will be kept at the office and is administered by one of our school secretaries (who are our First Aid Officers). Medication should not be self-administered nor can it be given by the class teacher.

ASTHMA ACTION PLANS & OTHER SERIOUS/LIFE THREATENING MEDICAL CONDITIONS
If your child suffers from asthma, an Asthma Action Plan must be completed by your GP and given to the school to ensure appropriate and effective treatment can be given if and when required. This needs to be updated at the beginning of each school year. Information regarding any serious medical conditions that may be life threatening need to be brought to the attention of our office. Copies of Doctors instructions with regard to treatment need to be brought to the office.

VOLUNTEERS at St Joey’s
Our school relies on and greatly values our parent helpers and we encourage you to be involved when and how you can. As you are more than likely aware however, it is a legal requirement that all volunteers be registered. (This only has to be done once so if you have completed these steps in a previous year, there is no need to repeat it.)

1. All volunteers must be registered with the school. This is done by completing a Volunteer Registration form (available from the office)
2. Once registered, volunteers receive a Volunteer’s Code of Conduct and a Student Protection Handbook to read.
3. To indicate a commitment to the principles of these documents, a Volunteer’s Suitability Declaration form is signed.

If a volunteer is not a parent (eg grandparents, aunt, friend), they must produce a Positive Notice Blue Card for Volunteers prior to working within the school.

PARENT CONTACT GROUP
We are seeking parents who will ‘put up their hand’ to be their child’s class Parent Contact Person! This group has a meeting each term with Marg, acting as an invaluable resource for both information sharing and pastoral care for our families.

Why not ask a friend and share the position?
Please either let your child’s teacher or notify the office.

First meeting will be in the staffroom after assembly on Friday, 17 February 2012.
SCHOOL FEES
Thanks to all the families who have completed and returned their 2012 School Fee Calculation Sheet. A copy for your records will be posted to you shortly.

If you have yet to fill one out, the form can be downloaded from the School Website or collected from the office. Completing this form not only calculates the exact amount of your 2012 fees, it also gives me your preferred payment method and frequency of payment, which in turn helps me more accurately budget throughout the year.

Sibling Discount – If you have HIGH SCHOOL CHILDREN at other Sunshine Coast Catholic HIGH SCHOOLS (ie St John’s, Siena College, St Teresa’s or Unity College) you are eligible for a discount on your school fees. The form can be downloaded from the School website or collected from the office.

Setting up REGULAR Credit Card Repayments – If you usually pay your school fees via regular credit card repayments, the application form has been replaced with the following procedure. You now need to go into your internet banking, set up your regular payment amount and frequency, and then select CREDIT CARD as your nominated bank account.

Please contact me on 5441 9208 if you require any further assistance. My work days are Mondays, Wednesdays and Thursdays.

Regards,
Kathy Higg
Finance Secretary

EDUCATION TAX REFUND
The Australian Government is helping you with the costs of educating your kids.

The Education Tax Refund provides up to 50% back on a range of children’s education expenses.

For the 2010–11 tax year refunds may be as much as $397 for every child at primary school, and up to $794 for every child at secondary school. The amount of the refund increases each year by the Consumer Price Index.

The website, http://www.educationtaxrefund.gov.au/ helps you decide if you are eligible and explains what you can claim and how to claim everything you are entitled to.

Keep your receipts. You need them to calculate your refund and you may need to show them as proof of purchase.

TUCKSHOP
There is NO TUCKSHOP this week.
Welcome back to 2012!
Tuckshop will not resume until Wednesday next week while we restock & get the ball rolling again.

A copy of the Term 1 menu will be sent home this week or you can find it on the school website.
All of our menu plus extra, exclusive online items are now on the flexischools website.
If you haven’t registered to order online you can do so at www.flexischools.com.au/. For those who already have an account, you will be prompted to change your child’s class the next time you order.
We are also resuming the roster system from Term 4 last year. Please check the newsletter for when your child’s class is rostered to provide helpers and homebake & mark it on your calendar! We had lots of great homebake last year and we look forward to a similar response in 2012. Small iced cakes & slices (or iced slab cakes sent in whole) are our most popular and remember packet mixes are fine!! Year 2 families are first up this term, and we look forward to their help next week!

2011 was so much fun at tuckshop, with your continued support, 2012 will be even more!
Remember.....Tuckshop only happens with your help!

This Week: No Tuckshop
Next Week: Chicken Caesar Salad

Tuckshop Roster—Term 1
Classes are asked to provide helpers and home baking on their allocated days.

**LIBRARY NEWS**

Welcome to the start of the new school year, especially to those joining us for the first time. 2012 is going to be an exciting one, our first full year in our beautiful new library. Our school community is very proud of our library. Just in case you don’t know, we are the round building with the colourful wall and if you haven’t been inside, do so very soon. We’d love to welcome you in!

2012 has been designated as ‘The National Year of Reading’. You’re going to be hearing lots about this throughout the year, both from me and in the media. Funny, I thought every year is a year of reading!

Your children will commence borrowing next week, more details coming soon. Please make sure your child has a bag to protect these books. A plastic bag is fine, just something to protect the books from food, drink and rain.

It takes many people to run a successful library and we rely on parents in a number of ways, but most importantly to cover our books. As this is mainly done at home, it particularly suits those of you who can’t make it in during school hours. I am sure most of you have had some practice with covering recently, so while it’s fresh in your mind, you may like to put your hand up to help us. Please contact either Jenny or myself directly (cmenck@bne.catholic.edu.au) or through the school office.

Happy Reading in this the National Year of Reading,
Cathie Menck  Teacher Librarian

"I have always imagined that paradise will be a kind of library." — Jorge Luis Borges

**MUSIC NEWS**

Welcome to 2012 and what will be an exciting one! In Week three our year 4’s begin learning a band instrument in our inaugural Instrumental Immersion Program. A note will be going home today in regards to the students selecting which two instruments they will learn.

We welcome back the Lindzmus program to St Joseph’s with its band of accomplished instrumental teachers, headed by muso extraordinaire, Lindsay Macdonald-Clow. We also have the professional violinist/strings teacher, Alex Patri. If you are interested in your child learning an instrument, application forms are available at the school office.

**Senior Singers**, the Yrs. 4 to 7 choir, will be open for enrolments this Friday and will begin in week 3 on **Fridays at noon**.

**Junior Joeys, Yrs. 1-3 choir**, will begin in **Week 3** on Tuesday **lunchtime**. Enrolment forms will be available from the office this Friday. **NO JOINING FEE FOR BOTH CHOIRS!!**

**Band** will commence soon. More info to come.

**Recorders!!** Yr. 3’s will be lent recorders through the school library. At this point many parents may shudder at the thought of home practice on the recorder but it is needed to improve fine motor skills and breathing techniques.

It is also a lead up to learning a band instrument such as the flute and trumpet which are on offer in the Yr 4 Instrumental Immersion Program. The important rule is for your child to use the **softest breath** to sound the instrument as it is overblowing that gives this instrument a bad name. Other squeaks may be due to the holes not being properly covered by the fingers.

Please do not hesitate to contact me from Tues-Fri at school or via my school email.

Keep singing,
Paula Simpson
Music Specialist

**INTERNET AGREEMENT FORMS**

These forms are being sent home this week. Before any student is involved in Internet projects, we require the form to be returned to the office.

**NON RETURN WILL RESULT IN DENIAL OF ACCESS.**

---

**CROSS COUNTRY**

If you would like to participate in some extra training sessions, I have just received notification that the Sunshine Coast Cross Country series begins on Sunday, 1st April and will continue fortnightly until mid-June. It is a fun way to train on different terrains and will improve your fitness and endurance.

Remember, District trials are in early June, with Regionals being held in July.

Please stay posted for further details and start training soon to build up that stamina.
