GUIDELINES

Uniform & Personal Appearance

Rationale

St Joseph's Primary School recognises that the wearing of the school uniform is an important part of creating a sense of community, as well as a sense of identity for students as belonging to the school community. The wearing of the school uniform along with taking pride in one's appearance contributes in a meaningful way to ensure that each student has pride in being a member of the school community.

Objectives

Guided by the school's Vision Statement, St Joseph's Primary encourages students to take pride in themselves and their school identity through the wearing of the approved school uniform. This uniform acknowledges the tradition of the Sisters of the Good Samaritan as founders of the school as well as taking into account the Queensland Government's SunSmart requirements.

The uniform of St Joseph's Primary School will -

- Reflect the heritage of our school in the school Crest
- Reflect the respect and dignity that students have in themselves, each other and the school community, and
- Provide equity for all and an identity which enhances the school's spirit.

Implementation

St Joseph's Primary School will:

- Inform parents/carers of the Uniform & Personal Appearance Guidelines when they enrol their child;
- Include the standard of uniform in the school's Parent Information Booklet;
- Seek ongoing support from parents/carers and the school community for the Uniform & Personal Appearance Guidelines and its implementation through newsletters, parent meetings & Parent Portal.
- Ensure that all students wear the correct uniform and comply with the school's SunSmart Guidelines in wearing the uniform
- Ensure the school uniform -
 - Complies with SunSmart guidelines
 - Reflects contemporary styling while remaining modest
 - Reflects the demands of our climate
 - Is practical for multiple purposes.
- Ensure that parents/carers are informed of days of the week that the formal uniform and sports uniforms are to be worn
- Approve variations to the application of these Guidelines where cultural, religious or other appropriate

grounds are provided to the Principal for consideration and approval

- Inform students and parents/carers that participation in school events, excursions, carnivals, outings or activities is dependent upon the student complying with these Guidelines.

Parents/carers will:

- Support the school's Uniform & Personal Appearance Guidelines;
- Ensure that their child dresses in the approved school uniform on the required days;
- Ensure each child's uniform is clean and in good condition;
