Parent / Guardian Code of Conduct Guidelines

PURPOSE

This Parent/Guardian Code of Conduct outlines the way in which our community requires all parents and family members to conduct themselves when visiting our school, participating in school activities and communicating with members of our school community (including students, school staff, other parents and visitors to our school).

GUIDELINES

At St Joseph's Primary School, we aim to provide an open, welcoming, inclusive and safe environment for all. We believe that parents/guardians are valuable contributors and participants in the life of our School.

Guiding principles include:

Communication

Parents will use courteous and acceptable written and spoken language in all communications with students, staff and other parents and members of the school community. No profane, insulting, harassing, aggressive or otherwise offensive language may be used.

Ethical Conduct

Parents will act in the best interests of students, their families and staff members. They will not engage in malicious or judgmental gossip, and should ensure that anything they say about others is fair and truthful.

Respect

We value our diverse community and respect the rights, religious beliefs and practices of individuals and their families. We respect points of view that are different from our own and all members of our community must refrain from actions and behaviour that constitutes harassment, discrimination or vilification.
