St Joseph’s Instrumental Program

**Description of a St Joseph’s Band Leader**

A Band Leader Co-operates with everyone involved in Band by doing the following things:

- Making sure that everything is set up for rehearsals and performances. This can mean both doing some set up yourself and encouraging other band members to be setting up.
- Packing up after rehearsals and performances. Both packing up your own gear and making sure everything else is where it should be.
- Helping to tune the instruments in your section.
- Helping and encouraging other band members, especially those in your section.
- Helping to keep rehearsals running smoothly and productively.
- Giving ideas to make performances and rehearsals enjoyable and worthwhile.
- Spreading the positive word to ALL school staff and parents about the fun and importance of Band!

A successful Band Leader is someone who makes all the members feel happy, safe and appreciated being in Band. He or she communicates with everyone and listens to any and all suggestions in an effort to get the best outcomes possible.
