Dear Parent/Caregiver,

Your child has been part of the Yr 4 instrumental Immersion Program. We hope your student has enjoyed learning their two instruments. The instrumental teachers, Ben (flute), Mr. Pattri (Violin), and myself (Brass) have enjoyed teaching them. If your child has shown ability on one of those instruments we would like to encourage that ability by offering them a low cost instrumental hire and the opportunity to apply for a part scholarship towards the cost of instrumental lessons at St Joseph’s.

Our instrumental hire fee is $30 per term with a $50 refundable deposit. The $50 refundable deposit will be returned if the instrument is returned in good working order. We ask that if your child is successful in receiving a part scholarship that they become part of the school band or string ensemble.

As our students finish primary school at the end of Yr. 6 we need to involve them earlier in the bands and ensemble. Making music together is a wonderful way to socialize in a non-competitive group.

We hope you are able to consider this great offer,

Keep singing, Paula Simpson, (Classroom Music Specialist), Lindsay Macdonald-Clow, (Lindmuse Instrumental Co-ordinator), Matt Gill (Brass) and Alex Pattri (Strings teacher).

There is no other low cost instrumental opportunity as good as this.

Application

Student’s Name-................................................................. Class-.........................

Instrument interested in hiring ....................................................

(Choice of instruments include flutes, clarinets, trumpets, saxophones, trombones, violins, violas, a cello and a double bass)

Would you like to apply for a part scholarship (value-up to $200) to help* with the cost of instrumental lesson fees?

............... Contact e-mail:-.................................................................

*The student still needs to enroll with the instrumental teacher. Their business cards are available at the office.
