Prior to the end of the school year, each family is required to complete a Fee Calculation Sheet and return it to the school, along with BPay form or direct debit application forms, if appropriate. This enables the school to manage its anticipated income.

Tuition Fees and Student Levy
The tuition fees and student levies collected at St Joseph’s Primary School are used for the following purposes which are essential in providing a high quality education for your child/ren –

Capital levy
This family levy is charged per term. Our Capital levy is a necessary levy which enables us to pay our school building loans and for building maintenance, as well as plan for the provision of future facility improvements. This is NOT tax deductible.

P&F Levy
The school collects an annual levy per family for the school’s Parents & Friends’ Association, transferred monthly to the P&F’s account. In recognition of the many calls on people’s generosity for fundraising, the P&F, after consultation with the whole community, made a commitment to limit its fundraising activities to one big event per year, the school fete, with all other activities aimed at being ‘cost neutral’. The monies raised by this levy have a dual purpose –

Fee Collection and Payment Procedures – August 2013
1. The P&F, with the approval of a quorum at a general meeting, commits these funds to support the school in achieving its annual goals. (Become involved and have a say in how this resource is invested for your child/ren.)

2. Included in this levy is an annual fee payable to the Parents & Friends’ Federation of Queensland. This State body is involved in a range of issues including support for local associations and lobbying for government funding for Catholic schools.

**On-Line Subscription Levy**

**Library Fund Contribution**

OVERDUE ACCOUNTS
Accounts may be overlooked in the busyness of daily life and for this reason, an Account Rendered – Reminder Notice for unpaid accounts after the due date is sent. If you are experiencing difficulty in paying your account by the due date, please contact the school as soon as possible as only then are we in a position to assist.

On rare occasions, people fail to pay their account, do not respond to reminder notices and do not contact the school to make alternate arrangements. In these instances, a Collection Notice is issued and should there still be no response, the school is forced to engage the services of a professional debt collection agency.

Please be aware that additional charges will be incurred once the account has been handed to the debt collection agency for action. Once accounts have been handed to the debt collection agency, the matter effectively passes out of the school’s control and all negotiations for payment must then be made with the debt collectors.
